OBJECTIVE / SUMMARY

I am a full-stack web developer. I just completed the University of Oregon's Full-Stack Coding Bootcamp, where we learned and developed the most up-to-date skills necessary to thrive as a coder, whether on the front-end, back-end, or working with specific frameworks or libraries.

RELEVANT EXPERIENCE

FULL-STACK CODING BOOTCAMP (6 MONTH PROGRAM)

The University of Oregon | 2023

- Completed a 6-month intensive, 50+ hour/week program, learning and practicing the front-end, back-end, and performance skills listed here, receiving a 99% (A) in the course

DIGITAL SPECIALIST/DIRECTOR OF EMAIL MARKETING

The Brookings Institution | 2013 - 2016

- Managed all email marketing for the world-leading research Institute
- Designed all emails and newsletters in HubSpot, using solely HTML and CSS
- Wrote all copy for the Institution's proprietary email product, The Brookings Brief
- Edited all copy from other departments before distribution of their newsletters

JUNIOR DIGITAL PRODUCER

AgencyQ | 2016 - 2017

- Managed websites for brands like BP and Lays, working with other project managers and brand representatives toward quality digital products
- Worked directly with web developers on my team to manage content, bugs and fixes, and new features on websites we oversaw
